

ROHIT ARORA

Founder & Chairman, Silverskills

Mr. Rohit Arora has over three decades of experience in business process management, investment banking and management consulting. Rohit has dealt with several Fortune 500 corporations on cross-border transactions in the aforementioned areas.

Rohit is the Founder-Chairman of Silverskills Private Limited, a company that provides BPM solutions to companies in the financial and healthcare services sectors across the globe. Earlier, Rohit was the Managing Director and Country Head of AIA Capital India Private Limited, (member of the AIG Group), a company that provides investment banking and corporate finance services. He began his career as a consultant with A.F. Ferguson & Co., the then correspondents of KPMG in India.

Rohit is a fellow member of the Institute of Chartered Accountants of India and also serves on the Board of numerous Indian and multinational companies as an independent non-executive director.
